Arbeiterpartei (PT)
Algeriens

Für die bedingungslose, vollständige und sofortige Aufhebung der Blockade von Gaza Sofortiger Stopp aller kriegerischen Maßnahmen gegen Gaza“

Die Völker und Arbeitnehmer in der ganzen Welt blicken mit Schrecken auf das Massaker und die massiven Zerstörungen, die Israel und seine Armee während des 51 Tage dauernden Bombenhagels in Gaza und am ganzen palästinensischen Volk verübt haben: Es gab 2.150 Tote, ungefähr 12.000 Schwerverletzte, 20.000 Wohnhäuser wurden zerstört, so dass 25% der Einwohner von Gaza jetzt obdachlos sind, die gesamten Basis-Infrastrukturen wurden zerstört (Schulen, Krankenhäuser, Betriebe, Straßen, Universitäten usw.). damit wurden 200.000 Arbeitsplätze vernichtet. Das ist die makabre Bilanz.

Die Völker und Arbeitnehmer in der ganzen Welt akzeptieren nicht, dass die Mehrheit der westlichen Regierungen, angefangen bei der US-Regierung Obama, Israel bewaffnen und unterstützen, eine israelische Regierung, die sich eines wahren Völkermord schuldig ist, gemacht hat.

Die Völker und Arbeitnehmer akzeptieren nicht, dass sich viele Regierungen, vor allem eine bestimmte Anzahl arabischer Regimes im Nahen Osten, zu Komplizen dieses Verbrechens gegen die Menschheit machen.

Hat das palästinensische Volk keine Existenzrecht? Denn was das palästinensische Volk fordert, ist das gleiche, was die Völker weltweit fordern: Land, Frieden, Freiheit, Wiederherstellung ihrer Einheit als Nation.

Auf allen Kontinenten, vor allem in Europa, in den USA, in Lateinamerika, im Maghreb, im Nahen Osten, in Japan, in Pakistan, in Südafrika usw. zehntausende Arbeitnehmer und Jugendliche, manchmal Hunderttausende, haben in machtvollen Demonstrationen den Stopp der Massaker und Bombardierungen gefordert, sowie die Aufhebung der Blockade, die Gaza seit 2006 erdrosselt.

Und während israelische Juden ebenfalls zu Tausenden in Tel Aviv in ihrer Demonstration gegen den Krieg gegen Gaza protestierten, haben mehrere Hundert jüdische Überlebende des Nazi-Holocaust und ihre Nachfahren in Europa und in den USA erklärt:

„Als jüdische Überlebende und Nachkommen von Überlebenden des Nazi-Genozids verurteilen wir in aller Klarheit das Massaker von Palästinensern im Gazastreifen und die anhaltende Besetzung und Kolonisierung des historischen Palästina. (...) Nichts kann das Bombardieren von UN-Unterkünften, Wohnhäusern, Krankenhäusern und Universitäten rechtfertigen. Nichts kann den Entzug von Strom und Wasser für die Bevölkerung rechtfertigen. Wir müssen gemeinsam unsere Stimmen erheben und unsere kollektive Macht und Kraft einsetzen, um alle Formen von Rassismus zu beenden, einschließlich des andauernden Genozid des palästinensischen Volkes. (...) Nie wieder“ muss Nie wieder! für jeden bedeuten!“

Vice-président de l'Organisation pour l'Unité Syndicale Africaine

Sie haben Recht. Und die internationale Mobilisierung hat dem palästinensischen Volk und seinem Widerstand geholfen, Israel zum Rückzug zu zwingen einschließlich zur teilweisen Aufhebung der Blockade und zum Stopp der Bombardierung.

Doch die israelische Aggression gegen das gepeinigten palästinensischen Volk geht weiter mit Massenverhaftungen, Morden, Razzien der israelischen Armee, Fortführung der Blockade und Beschlagnahme von palästinensischen Ländereien, um die jüdischen Siedlungen zu vergrößern, bei gleichzeitigem Aushungern der palästinensischen Bevölkerung und ihrer zunehmenden Gettoisierung. Das geschieht in einer Situation, in der die Einwohner im völlig verwüsteten Gaza die größten Entbehrungen durchmachen - ohne Dach über dem Kopf, ohne Nahrung, Wasser, Strom, d.h. sie schweben in Lebensgefahr.

Der UGTA und die Arbeiterpartei PT, die in Algerien die Mobilisierung der Arbeiter und des Volkes für die Verteidigung von Gaza organisieren, wenden sich nachdrücklich an alle Organisationen der internationalen Arbeiterbewegung, von Nord bis Süd und von Ost bis West, an alle engagierten Kollegen, an alle Verteidiger der demokratischen Freiheiten, des Friedens und der Solidarität zwischen den Völkern:

- ◊ **Lasst uns gemeinsam für die Erfüllung der lebenswichtigen Forderungen des palästinensischen Volkes eintreten!**
- ◊ **Lasst uns den einhelligen Willen des palästinensischen Volkes unterstützen: „Wir wollen nicht einem langsamen Dahinsterben ausgeliefert werden.“**

Es kann keinen Frieden geben ohne die bedingungslose, völlige und sofortige Aufhebung der Blockade, ohne den Wiederaufbau der zerstörten Betriebe, Infrastrukturen und Wohnhäuser, ohne die bedingungslose Wiederherstellung des Rechts auf Fischfang, ohne das Recht auf Seehäfen und einen Flughafen, ohne die Material für Krankenhäuser und Schulen, ohne das Recht auf Arbeit, das Recht der Bauern auf Bestellung ihrer Äcker, das Recht auf Strom und Wasser...

Es kann keinen Frieden geben ohne den Stopp der Repression, ohne die Freilassung der Gefangenen, unter ihnen 262 Kinder, viele Frauen und Kranke.

Wir sagen: Es liegt in der Verantwortung besonders der Arbeiterorganisationen in der ganzen Welt, die Komplizenschaft aller Regierungen zu stoppen, die Israel, seine Armee und deren mörderischen Wahnsinn unterstützen. Auf dieser Grundlage rufen wir dazu auf, alle notwendigen Initiativen zu ergreifen, um den Stopp dieses mörderischen Wahnsinns durchzusetzen.
