GATS 2000

Request from the EC and its Member States (hereinafter the EC)

to

India

General remarks

This request covers horizontal commitments, MFN exemptions and the following service sectors:

- Professional services
- Business services (other than professional services)
- Postal and courier services
- Telecommunication services
- Construction and related engineering services
- Distribution services
- Environmental services
- Financial services
- Tourism and travel related services
- News Agency services
- Transport (air, maritime, land, other) services
- Energy

The EC proposes that India's current GATS commitments are revised in accordance with this request. The EC is both seeking improved commitments and clarification of existing commitments as set out in this Request. The EC is furthermore looking for a reduction in scheduled limitations whether these are horizontal or sector specific in nature.

The EC further requests that commitments are entered in accordance with the scheduling guidelines adopted by the Council of Trade in Services on 23

March 2001 (S/L/92). In particular, for each commitment or limitation entered the EC requests:

- that any remaining limitation on market access (hereafter "MA") or on national treatment (hereafter "NT") are clearly described and only be inscribed in the market access or national treatment columns if the measure is of a nature foreseen by Articles XVI-XVII GATS.

The EC remains available to provide any clarification and answer any question on this request. Questions can be addressed to the European Commission via the EC contact point, via the Delegation of the European Commission in Geneva, or at the following EC officials in Directorate-General Trade Unit D2 (Trade in services, including e-commerce) :

Country Desk Officer:	Anya Oram Tel : 32-2 295 2826 e-mail : Anya.Oram@cec.eu.int
General issues:	Joao Aguiar Machado , Head of Unit Tel : 32-2 299 6310 e-mail : joao-luis.aguiar-machado@cec.eu.int Anders C. Jessen , Deputy Head of Unit Tel : 32-2 299 2457 e-mail : anders.jessen@cec.eu.int

Note : The EC reserves the right to revise and/or supplement this request. For each service sector, W120 classification has been followed unless expressly indicated and CPCs refer to the Provisional CPC classification. The precise scope for each sector is without prejudice to the EC's final positions on classification issues and to the EC's classification of their existing commitments.

HORIZONTAL COMMITMENTS

EC Request to India

Mode 3

- National Treatment (NT): In joint ventures involving public sector enterprises, degree of technology transfer is the determining factor in choosing the foreign partner. **EC request:** Clarify.

Mode 4

Intra-corporate transferees :

- Commitments only cover transfers to subsidiaries, branches and representative offices. **EC request:** Extend coverage to include all affiliated companies and offices.
- The EC also requests that a commitment be made to allow as intra-corporate transferees without requiring an economic needs test «persons with a university degree or equivalent technical qualification who are transferring for career development purposes or to obtain training in business techniques or methods». The maximum prior employment requirement should be one year.

Contractual Service Suppliers :

- A contractual service supplier is a juridical person with no commercial presence in India, which has obtained a service contract in India which requires the presence of its employees in India in order to fulfil that contract. **EC request :** Take commitments for natural persons employed in the service sectors listed below and seeking temporary entry as contractual service suppliers. Such natural persons can be required to have a university degree or equivalent technical qualification – plus the appropriate professional qualifications where this is required by domestic law. The length of stay may be limited to the length of the contract.

TRANSPORT SERVICES

EC Request to India

This sector has not been committed. **EC request:** Take commitments as follows:

A. Maritime transport

EC request: Take commitments in accordance with the attached model schedule (Annex 1), in particular for the following areas:

- 1) International transport (freight and passengers) CPC 7211 and 7212
- 2) Additional commitments for access to and use of ports facilities
- 3) Maritime auxiliary services (maritime cargo handling, storage and warehouse services, customs clearance services, container station and depot services, maritime agency services)
- 4) Multimodal activities: for inland forwarding of cargoes - commit the ability to rent or lease - or to have access to and use of multimodal facilities (as specified in the note to the schedule).
- 5) Definitions – commit definitions as specified in the model schedule.

The EC also requests the following additional maritime commitments from India:

- 6) Equipment. To facilitate planning of their businesses, operators should be allowed to re-position their own equipment, such as empty containers, between ports of India, when it is not carried against payment. This is requested to be committed in a new footnote:

“9. Movement of own equipment. International maritime transport suppliers can move/reposition their own equipment (i.e. empty containers, flatbeds etc.) on their own vessels between ports of India.”

- 7) International cargo. Notwithstanding the general exclusion of “cabotage” in the definitions of the model schedule (see Annex 1) an international maritime transport supplier should be allowed to operate feeder services for its own international cargo between ports of India. This is requested to be committed in a new footnote:

“10. Notwithstanding the exclusion of “cabotage” in definition 1 above international maritime transport suppliers can operate vessels for the purposes of pre- and onward carriage of the international cargo between ports of India.”

In this context India may wish to take one or more of the following principles into concern:

- Size of the port. Only valid for international cargo relayed between national ports handling more than [25.000 TEU] on an annual basis.
- Binding existing ad hoc practices. To the extent exceptions are already granted for use of foreign flagged vessels such practices could be bound to explicitly cover pre- and onward carriage of international cargo.
- Geographical limitations: Transport of international cargo between ports within the same state/territory [or other relevant regional entity] remains excluded.

Rental and leasing of vessels with crew (CPC 7213, 7223).

NOTE TO THE SCHEDULE

Where road, rail, inland waterways (and) (related) (auxiliary) services are not otherwise fully covered in (this) (a Member's) schedule, a multimodal transport operator shall have the ability to rent or lease trucks, railway carriages or barges, and related equipment, for the purpose of inland forwarding of cargoes, or have access to, and use of, these forms of multimodal activities on reasonable and non-discriminatory terms and conditions for the purpose of carrying out multimodal transport operations. (« Reasonable and non-discriminatory terms and conditions » means, for the purpose of (multimodal transport operations), (this additional commitment), the ability of the multimodal transport operator to arrange for the conveyance of its merchandise on a timely basis, including priority over other merchandise which has entered the port at a later date).

DEFINITIONS

1. Without prejudice to the scope of activities which may be considered as «cabotage » under the relevant national legislation, this schedule does not include « maritime cabotage services », which are assumed to cover transportation of passengers or goods between a port located in ... (name of country or, for EEC, « a Member State ») and another port located in ... (name of the country or, for EEC, « the same Member State ») and traffic originating and terminating in ... the same port located in (name of country, or for the EEC, « a Member State ») provided that this traffic remains within ... (name of country or « this Member State »)'s territorial waters.
2. « Other forms of commercial presence for the supply of international maritime transport services » means the ability for international maritime transport service suppliers of other Members to undertake locally all activities which are necessary for the supply to their customers of a partially or fully integrated transport service, within which the maritime transport constitutes a substantial element. (This commitment shall however not be construed as limiting in any manner the commitments undertaken under the cross-border mode of delivery).

These activities include, but are not limited to:

- (a) marketing and sales of maritime transport and related services through direct contact with customers, from quotation to invoicing, these services being those operated or offered by the service supplier itself or by service suppliers with which the service seller has established standing business arrangements;
- (b) the acquisition, on their own account or on behalf of their customers (and the resale to their customers) of any transport and related services, including inward transport services by any mode, particularly inland waterways, road and rail, necessary for the supply of the integrated services;
- (c) the preparation of documentation concerning transport documents, customs documents, or other documents related to the origin and character of the goods transported;
- (d) the provision of business information by any means, including computerised information systems and electronic data interchange (subject to the provisions of the annex on telecommunications);

- (e) the setting up of any business arrangements (including participation in the stock of a company) and the appointment of personnel recruited locally (or, in the case of foreign personnel, subject to the horizontal commitment on movement of personnel) with any locally established shipping agency;
 - (f) acting on behalf of the companies, organising the call of the ship or taking over cargoes when required.
3. « Multimodal transport operators » means the person on whose behalf the bill of lading /multimodal transport document, or any other document evidencing a contract of multimodal carriage of goods, is issued and who is responsible for the carriage of goods pursuant to the contract of carriage.
 4. « Maritime cargo handling services » means activities exercised by stevedore companies, including terminal operators, but not including the direct activities of dockers, when this workforce is organised independently of the stevedoring or terminal operator companies. The activities covered include the organisation and supervision of:
 - the loading/discharging of cargo to/from a ship;
 - the lashing/unlashing of cargo;
 - the reception/delivery and safekeeping of cargoes before shipment or after discharge.
 5. « Customs clearance services » (alternatively « customs house brokers' services ») means activities consisting in carrying out on behalf of another party customs formalities concerning import, export or through transport of cargoes, whether this service is the main activity of the service provider or a usual complement of its main activity.
 6. « Container station and depot services » means activities consisting in storing containers, whether in port areas or inland, with a view to their stuffing/stripping, repairing and making them available for shipments.
 7. « Maritime agency services » means activities consisting in representing, within a given geographic area, as an agent the business interests of one or more shipping lines or shipping companies, for the following purposes:
 - marketing and sales of maritime transport and related services, from quotation to invoicing, and issuance of bills of lading on behalf of the companies, acquisition and resale of the necessary related services, preparation of documentation, and provision of business information;
 - acting on behalf of the companies organising the call of the ship or taking over cargoes when required.
 8. « Freight forwarding services » means (the activity consisting of organising and monitoring shipment operations on behalf of shippers, through the acquisition of transport and related services, preparation of documentation and provision of business information).

Annex 2 Facilitating air transport services

Ground-handling Services

Efficient ground-handling is essential to the proper functioning of air transport and competition between operators in this area ensures that proper use is made of air transport infrastructure. It helps reduce the operating costs of airlines and improves the quality of service for airport users.

For specialised groundhandling suppliers the following activities are requested:

- Ground Administration – supervision and administration at the airport (CPC 7461);
- Passenger Handling – assisting arriving, departing and transfer passengers (CPC 7461);
- Baggage Handling – handling baggage in the sorting area (CPC 7461);
- Freight and Mail Handling – physical handling of freight and mail, dealing with security and customs procedures (CPC 74110 (container handling services) and 74190 (other cargo handling services);
- Ramp Handling – marshalling and moving the aircraft, loading and unloading of aircraft, transport of passengers, freight, supplies (CPC 7469).
- Aircraft Services – cleaning the aircraft, heating and cooling, removal of snow and ice (CPC 7469);
- Fuel and Oil Handling – organisation and provision of fuel and oil;
- Aircraft Maintenance – covered specifically by the Annex as above;
- Flight Operations and Crew Administration – preparation of the flight, inflight and post-flight assistance, crew administration;
- Surface Transport – organisation and execution of transport within airport – except to and from aircraft;
- Catering Services – administration, storage, preparation and delivery of bar and food supplies (CPC 6423). *[Catering is listed for only for information purposes as this activity is requested from India as part of tourism services]*

Airport management services

Airport management services constitute the core activities of airport services providers and cover: Airport operation services (excl. cargo handling), including passenger air terminal services and ground services on air fields, including runway operating services, on a fee or contract CPC 74610. Activities are also related to “other management consulting services” (CPC 86509) and activities separately specified under “other management services not elsewhere classified”(CPC 86609). A commitment will allow services suppliers to take an equity stake in - and engage in the overall operation and

management of - airports when these are open for investments from private operators. Thereby it will bind existing common practices in the sector.
