GATS 2000

Request from the EC and its Member States (hereinafter the EC) to Venezuela

General remarks

This Request covers horizontal commitments, MFN exemptions and the following service sectors:

- Professional services
- Business services (Other than Professional services)
- Postal and courier services
- Telecommunication services
- Construction and related engineering services
- Distribution services
- Environmental services
- Financial services
- Tourism and travel related services
- News agency services
- Transport (air, maritime, land, other) services
- Energy services

The EC proposes that Venezuela's current GATS commitments are revised in accordance with this Request. The EC is both seeking improved commitments and clarification of existing commitments as set out in this Request. The EC is furthermore looking for a reduction in scheduled limitations whether these are horizontal or sector specific in nature.

The EC further requests that commitments are entered in accordance with the scheduling guidelines adopted by the Council of Trade in Services on 23 March 2001 (S/L/92). In particular, for each commitment or limitation entered the EC requests:

- that the sector and sub-sector are clearly identified in accordance with the classification list in Document MTN.GNS/W/120 or other internationally recognised classification (e.g. Financial Services Annex) and corresponding CPC number. If this is not possible, the schedule should contain a sufficiently detailed definition to avoid any ambiguity as to the scope of the commitment.
- that any remaining limitation on market access (hereafter "MA") or on national treatment ("hereafter NT") are clearly described and only be inscribed in the market access or national treatment columns if the measure is of a nature foreseen by Articles XVI-XVII GATS.

The EC remains available to provide any clarification and answer any question on this Request. Questions can be addressed to the European Commission via the EC contact point, via the Delegation of the European Commission in Geneva, or at the following EC officials in Directorate-General Trade Unit D2 (Trade in services, including e-commerce) :

Country Desk Officer:	Francesco Meggiolaro Tel : 32-2-2958623 e-mail : francesco.meggiolaro@cec.eu.int

Note : The EC reserves the right to revise and/or supplement this Request. For each service sector, W120 classification has been followed unless expressly indicated and CPCs refer to the Provisional CPC classification. The precise scope for each sector is without prejudice to the EC's final positions on classification issues and to the EC's classification of their existing commitments.
